

Egyptian YouTheatre Classes

We are very excited your child will be joining us for YouTheatre classes this session!

For drop off information for Theatre Bugs, Storymakers, and Broadway Babies, please see below those class headings.

For Drama Company, Musical Theatre, and Improv classes, we suggest to avoid Main Street traffic that you drop-off and pick-up in Swede Alley at the blue stage door at the back of the theatre; where students can then proceed up the breezeway to Main Street and into the theatre lobby. We will collect students in the lobby. If students are late, they should proceed up to the 3rd floor quietly.

Please send your child with a water bottle to class. If your child is in a combo class, then also include a snack for them to eat during the break between classes. Fall classes end with parent observation day on the last day of class. More details to come.

Please see below for specific information about your child's class(es).

- We do not have a space for parents to wait and we are a working theatre, so if you do stay in the lobby for the duration of class, we ask that you do so quietly, respecting the box office staff working nearby.
