

Egyptian YouTheatre Tech Crew

We are very excited your child will be joining us for YouTheatre classes this session!

We suggest to avoid Main Street traffic that you drop-off and pick-up in Swede Alley at the blue stage door at the back of the theatre; where students can then proceed up the breezeway to Main Street and into the theatre lobby.

Please send your child with a water bottle and snack/dinner for them to eat during the break. Tech crew will not be allowed to leave during the break to get food on Main Street.

If your student arrives for class early, then they must wait quietly in the lobby for their instructor to arrive. Because this is a working theatre, if waiting quietly in the lobby becomes an issue then students won't be allowed to wait in the theatre for class to start.

Day: Tuesday, 4:45-6:45

Meeting Place: Basement

First day of Class: October 9th
